2. Addendum to Government Order No. HMA 190 PPS 77, dated 7th December 1977,

PREAMBLE:—

In Government Orders cited at (1) to (2) above sanction has been accorded to the establishment of Medical Sub-Centres in the places as mentioned in the Government Orders subject to certain conditions mentioned in those orders.

The donors or the Village Panchayat, Chairman where the Medical Sub-Centres buildings is to be constructed has been fixed as the primary agency for the construction of the building under the supervision of the P W D. Some of the donors who have been designated as the agency for construction of these centres have pleaded their inability to do so in as much as that for either official or business reasons as they are not residing at the place where the construction has to be done, and therefore are finding it difficult to take up the work of construction.. The E.T.P. charges normally leviable by the P.W.D. for providing surpervisory assistance has been waived in this case.

These buildings ultimately when they are constructed and completed are to be taken over to the control of Health Department which means that the buildings are to be maintained by the Public Works Department.

Therefore, taking into account these factors the Government Order dated 24th November 1977 and Addendum dated 7th December 1977 requires to be slightly modified whereby in cases where the donors or the village panchayat is unable to take up the construction and so long as they deposit or make available their share of Rs. 20,000/-the P. W. D. should be authorised to take up construction of the Medical Sub-Centre.
